

Wonderland is Hiring a Special Educator!

We are looking for a Special Educator to join our dynamic team of early intervention practitioners. This position is 30 hours a week (would consider 20) and will be part of a team that provides support to families with infants and toddlers with developmental delays and disabilities. Our early intervention services are provided in the child's natural learning environment (home, daycare, play groups, etc.) and we utilize a coaching approach to supporting and educating parents and caregivers. Excellent learning opportunities, and strong team support/mentorship.
