

Wonderland is looking for a volunteer videographer(s) who can create a few short film projects to be used in our marketing endeavors.

Wonderland Developmental Center is a 501(c)3 non-profit organization dedicated to serving children in north King and south Snohomish counties with developmental delays and disabilities. Our mission is to empower families and their children with special needs to reach their full potential as they live, learn, and play. For more information, visit us at [www.Wonderlandkids.org](http://www.Wonderlandkids.org).

**Join our dedicated and talented team as our videographer, for a one-time project or on an ongoing basis.**

Responsibilities:

- Ability to produce a short marketing video 30, 60, or 90 seconds in length
- Experience in video production: filming, image and sound editing
- Possession of necessary film equipment including camera, editing software, lighting or sound equipment
- Professional, energetic, creative and self-motivated
- Good inter-personal relations
- Shoot footage at Wonderland in facility programs, at client homes, and/or events
- Edit footage and collaborate with Wonderland staff to create final product
- Bonus qualification: Ability to implement graphics to represent data

If you are interested in this position, or to inquire further, please contact Rosie Cobos, Development Manager, at [RCobos@wonderlandkids.org](mailto:RCobos@wonderlandkids.org). We are looking to begin projects as soon as possible.

Thank you!
