

Starts on February 12th!

WONDERLAND  
CHILD & FAMILY SERVICES

# Sharing Smiles

## Social Communication Group

Join Special Educator and Autism Navigator Theresa Bettale for a new drop-in play group designed for children with ASD (Autism Spectrum Disorder) or social communication and interaction challenges. Sharing Smiles focuses on building social connections and providing an extra supportive environment for play.

Celebrate neurodiversity as you meet other caregivers on a similar journey, learn tips and strategies for communicating with your toddler, and get access to additional helpful resources for your family. This group is for children up to three years old and is open to the community.

**Wednesdays**

**10:00–11:00 a.m.**

**Edwin Pratt Early Learning Center  
1900 N 170<sup>th</sup> St  
Shoreline, WA 98133**

**All cultures and languages welcome!**

For holiday, school district, and other closure information, please visit [www.wonderlandkids.org/events](http://www.wonderlandkids.org/events) or follow us on Facebook.
