- Provide direct and indirect services to children with developmental delays or disabilities in their natural learning environments.
- Provide coaching and consultation for staff, parents and care providers.
- Participate as a member of the transdisciplinary team including caregivers and professional staff.
- Serve as a liaison with the medical and educational community on behalf of enrolled children and their parents/caregivers.
- Demonstrate a caring, nonjudgmental attitude with every family.
- Assess and evaluate each child's performance in all areas of development using instruments and a timetable approved by the agency.
- Participate in the development of each child's Individualized Family Service Plan (IFSP).
- Attend or conduct conferences/consultations with caregivers.
- Attend scheduled clinical and staff meetings and be an active participant in staff related activities.
- Prepare written reports and chart notes as required by Wonderland.
- Provide in-service trainings of staff and volunteers as needed.

Qualifications:

- Current Washington State License in the mental health counseling field, associate licenses accepted
- Master's Degree in Social Work, Counseling, Marriage and Family or related counseling field

Required:

- Experience working with children and families
